

Physicals at Clear Brook HS

Wednesday, April 27th, 2011-1:30pm- 5:00pm

Physicals will be offered for ALL Intermediate and HS athletes, cheerleaders and HS marching band/color guard members at Clear Brook High School on Wednesday, April 27th, from 1:30pm-5:00pm. Physicians with Kirkwood Medical Group will perform the physical exam and the cost is \$25, cash or checks (please make checks payable to John Kirkwood.) No appointments are taken. All students in 7th –12th grade (for the 2011-2012 school year), enrolled in an athletic class or wanting to participate in athletics, must have a new physical form completed before they will be allowed to try-out or participate in the 2011-2012 school year. CCISD district policy also states all marching band, color guard and drill team members must have a new physical each school year. Physical exams must be performed after April 27, 2011, if using a personal physician.

VERY IMPORTANT

The physical form for Athletics (including 7th thru 12th graders) will be BLUE in color and available at all schools from HS/ INT coaches and HS athletic trainers in April. Physician's offices do not have physical forms available; please take a form with you for the exam. The physical form for HS Fine Arts (marching band, color guard and drill team) is GRAY. These forms are available from Band, Color Guard and Drill Team Directors (HS and INT). High school students that wish to participate in both athletics and marching band/color guard need to have ONE PHYSICAL EXAM and have both a BLUE and GREY form completed. Please have pages 1-3 of the physical form completed before arriving for the physical exam. Please call with any questions concerning these physicals or forms.
