

About the Clear Brook Celebrities Booster Club (CBCBC)

The purpose of the CBCBC is to promote and support the welfare and objectives of the Celebrities Dance/Drill program, and its Directors, by providing moral and financial support.

We kick off each new school year with an annual membership drive. Our goal is 100% membership of Clear Brook Celebrities parents. Membership dues are annual, and your family need only join once a year.

Our Celebrities Booster Club gives you an opportunity to get involved with your child and to show her that you care about her interests. Members are given the opportunity to serve as chaperones for the trips, events, and contests throughout the year.

One of the most important contributions to our children's Celebrities experience is financial. Your annual dues and fundraisers help provide money to purchase costumes, pay for contest fees and other Celebrities activities not funded by the school district.

You may join the Celebrities Booster Club by filling out the information below.

Clear Brook Celebrity Booster Club
2022-2023 Booster Club Membership & Volunteer Form
(All students are required to return this form; One form per family)
